

UU ACTION DAY FOR GAZA

**WALK OUT & TEACH-IN
TUESDAY, 12 MARCH, 12-17:00**

In solidarity with the Dutch Scholars for Palestine (DSP) and the 12 March Europe-wide Call for Support of Palestinian People, staff from various UU faculties are organizing a walk-out and alternative teach-in – including guest speakers, a collective reading of Adania Shibli's *Minor Detail*, screening of talks by Judith Butler, and discussion of *Towers of Ivory and Steel* – and will address the DSP's call for all Dutch universities to cut ties with Israeli universities and companies complicit in apartheid and genocide. All are welcome to join.
